The 6 Regattas plus the Governor's Cup - Potomac Leg will count toward the Championship. Consolidated low point scores from the best 4 regattas will cumulatively determine the low point winners of the Championships. There will be 2 divisions, Spinnaker and Non-Spinnaker.

1. Scoring

A boat that participates in at least two races will be considered as entering the series. The best four races will be scored.

To qualify for a trophy a boat must have competed in a race that is 25 miles or more from her home port.

The Governors Cup Potomac Leg will be considered as meeting the 25 mile requirement.

RRS Scoring based on A9 - Series longer than a Regatta. Only boats in more than one race count toward the Series DNC score.

2. Series Ties

RRS A8.1 Applies. If the ties are not broken by A8.1, then the following modification of RRS A8.2 applies. The modification is in italics.

If a tie remains between two or more boats, they shall be ranked in order of their scores in the last race *they started*. *If a tie still remains, they shall be ranked in order of their scores in the last race in which they competed against each other.* These scores shall be used even if some of them are excluded scores.

 Indicates race of 25 miles or more.

 Indicates throwouts.

 DNC = Number of boats in the Series with more than one race +1
